Nicholson Gin is Britain's first gin brand, founded in 1736 by William Nicholson. Over 286 years, Nicholson has helped shape the current gin landscape that we enjoy today. Innovation has always been at the heart of everything we do, built on our unrelenting drive to break the status quo.

Nicholson has a rich cocktail heritage featuring in major advertising campaigns and the great cocktail books of the 1930s: Harry's ABC & The Original Savoy Cocktail book. We've compiled some of our favorites for you to enjoy!
