SIGNATURE SERVE with FRANKLIN & SONS

BOTANIST with PINK GRAPEFRUIT TONIC WITH BERGAMOT - 16

A progressive exploration of the botanical heritage Isle of Islay, 22 hand-foraged local botanicals delicately augmented nine berries, barks, seeds and peels.

MONKEY 47 with ROSEMARY & BLACK OLIVE TONIC WATER - 21

This gin is quite complex, with rich notes of vanilla and cinnamon. In the background, you can smell the distinct woodruff aroma. It evolves over time, and while it starts with a woody, floral aroma it ends with spicy vanilla notes.

PLYMOUTH with PREMIUM INDIAN TONIC - 16

Since 1793 its unique recipe using seven botanicals is made to the highest standards in the same distillery in the very heart of the historical city of Plymouth. Rich in spirit, fresh in aroma, plus cardamom and coriander to spice things up

RIVINGTON with SICILIAN LEMON TONIC - 17

The first gin from Bordeaux Distilling Company – made with juniper, coriander and citrus peels. The palate offers notes of pine needles, vibrant orange and lemon zest.

All produce is prepared in an area where allergens are present. For those with allergies, intolerances and special dietary requirements who may wish to know about the ingredients used, please ask a member of the Management Team.
